Word

Read Mark 6: 1-13

- What struck you about the service on Sunday?
- Jesus sent out his disciples two by two and gave them instructions (see Mk.6 :7-11)
 - Why did Jesus give them these instructions?
 - If Jesus sent out disciples today, what instructions do you think he would give them?
- What gives you a sense of security?
- Have you ever had to go beyond your fears and set out with very little? What did you learn about God through this experience? Who in our community has also done this and how can you support them?
- What does healing the sick and casting out demons mean for us today?

Works

- There is a blanket drive at the soup kitchen on the 7th July 2015 from 9am-11am if you are available come join as we share a cup of soup and hand out blankets to the homeless community.
- Jesus told his disciples to enter any house and stay if they are welcomed; this can be seen as an instruction to start a household ministry and at DMC we need more cell groups especially for our new members. Is God calling you to venture out into the unknown to start a 'home cell or to lead the discipleship course?
