In [Christ Jesus] the whole building is joined together and rises to become a holy temple in the Lord. And in him you too are being built together to become a dwelling in which God lives by his Spirit (Eph 2:21–22).

Minister's Note — 22 July 2018

God is building a home. He's using us all-irrespective of how we got here-in what he is building. … We see it taking shape day after day-a holy temple built by God, all of us built into it, a temple in which God is quite at home.[1]

Grace and I love watching a "Netflix" documentary "*The World's Most Extraordinary Homes*". It's fascinating and inspiring to watch how a mountain view inspires a simple sketch that becomes a detailed drawing and eventually a beautiful home.

The Apostle Paul was in prison, far from home, and certainly without inspiring mountain views. But God gave him a glorious revelation. By grace he perceived that God is building a truly extraordinary home: "*In him the whole building is joined together and rises to become a holy temple in the Lord. And in him you too are being built together to become a dwelling in which God lives by his Spirit* (Eph. 2:21-22).

Today God reminds us of what the Spirit is building and invites us to submit to something extraordinarily beautiful.

God Bless,
Sean
