"Therefore, since we are surrounded by such a huge crowd of witnesses to the life of faith, let us strip off every weight that slows us down, especially the sin that so easily trips us up. And let us run with endurance the race God has set before us." (Hebrews 12: 1)

Minister's Note

4 November 2018

Today we join together with our brothers and sisters in Christ throughout the world as we celebrate All Saints Sunday. We are once again reminded of our connectedness in Christ as Christians of all ages, countries and races. We think of our connectedness to those who have gone before us and who now enjoy the fullness of God's presence, life, and grace. Hebrews 11:1 refers to them as "a huge cloud of witnesses" whose lives tell of God's unfailing love and grace. We commemorate them and give God earnest gratitude for those who have personally guided us to faith in Jesus, or those whose lives and teaching have contributed something to ours. Scripture tells us that anyone who trusts in Christ alone for salvation is a saint in God's sight. We therefore also celebrate ourselves, for we are God's holy people and we are a part of something big and ancient called "the church." Our priority is to promote growth into Christ-likeness for each one of us and in the character of our shared life. Therefore, "...let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, ... but encouraging one another..." (Hebrews 10: 24-25)

May the lives of those who have gone before us provide encouragement for us to persevere with genuine commitment to Christ, looking forward to the glorious day.

Blessings, Vuyelwa
