MINISTER'S NOTE

7 NOVEMBER 2021

Have you ever wondered what you are worth to God? Sometimes our perception of self-worth before God gets skewed. We think that our worth depends on how much we have or don't have, how much we can give, how often we can volunteer and so on.

What if you were to think of yourself as those two coins Jesus tells us about, that a poor widow gave as her offering to God? We may not think those coins amount to much. Sometimes our faith doesn't amount to much, either. However, through faith in Jesus Christ, you wouldn't recognize yourself if you saw yourself through God's eyes. For our sake Jesus Christ became poor, so that through his poverty we might become rich.

Emilie Townes says the two coins "represent faith and belief and how these must be lived out in our lives in concrete acts and not solely by rituals that no longer hold religious power.... The coins represent faith-filled offering found in presenting all of who we are and all we hope to become to God for service to the world."

God is the God who promises to provide, so that when we give even our whole selves, we don't lack a thing, because in Christ, we have everything. In Christ, we can give everything and lack nothing. Let your life be an offering to God.

Every blessing,
Vuyelwa.

SUNDAY SCHOOL & SUNDAY YOUTH

Sunday School and Sunday Youth are up and running again. Covid 19 has reminded us how important it is that everybody ought to hear about our Lord and Saviour, Jesus Christ. Hope to see your children there again soon.
