MINISTER'S NOTE

7 JULY 2024

I often wonder, what being part of the Church of Jesus is **really** all about. You might think it strange for me who has been a part of it for almost 60 years of my 70 year life, and over 40 years as a "Professional", still wondering what the whole exercise is really supposed to be all about. But when I read passages of Scripture like this Sundays readings, then I am drawn back to this "wondering" again and I feel the need to stop, and consider what Jesus had in mind, after all it is His Church, and to come to communion to commit again to being available for His purposes for His Church here in Durbanville.

Please join me!
David.
